Subject: 02/15/00 Conference Call Summary

Subject: Gorst Creek Landfill Data Transfer & WARM

Attendees: Peter Brooks and Mike Spencer - State of Washington Department of Ecology
Elisabeth Black - Hart Crowser
Larry Tucker - EFANW

Summary:

1) On 24 March 2000, Hart Crowser will provide EFANW a Draft Summary of their investigation at Gorst Creek. This report will be provided to all previous recipients of Gorst Creek documents - for review and comment.

2) If the completed analysis does not indicate exceedance of any appropriate Ecology criteria, a WARM will not be required for Gorst Creek.

3) Data from this sampling & analysis will be forwarded to Ecology following EIM Guidelines.

4) A No-Further-Action Summary will be required. (Peter - I am not sure who would prepare this document)

Please contact me with any comments.
